

Mobility Assistance During Wildfire

Residents with mobility needs who will require assistance relocating in the event of an Evacuation Order, and do not have private transportation, should register with the Town of Paradise. This will allow emergency services to plan dispatch of accessible resources in the event of an Evacuation Order.

If you are a resident of Paradise with mobility needs and live in the Evacuation Alert Area (properties to the south side of Topsail Road from the Outer Ring Road exit to CBS boundary), please complete the form and email it to info@paradise.ca.

This is a proactive and precautionary measure, given the ongoing wildfire situation.

First Name:

Last Name:

Phone Number:

Email Address:

Address:

Postal Code:

I acknowledge this information is about a Paradise resident with mobility needs in the evacuation alert area of the south side of Topsail Road from the Outer Ring Road exit to CBS boundary.
