Municipal Elections

In Newfoundland and Labrador, general municipal elections are held every four years, with the last full municipal election being held in Paradise in September 2021.

The upcoming municipal general election date is October 2, 2025, with the Advanced Polling on September 27, 2025. The electorate will have the option to vote by mail or in person.

This guide provides information for candidates on the administration of the election, becoming a candidate, nominations, voting procedures and responsibilities. The guide also includes a table of key dates.

Administration of Municipal Elections

Returning Officer

The Returning Officer is responsible for administering the municipal election. For the Town of Paradise, this individual is Terrilynn Smith, CPA, Director of Corporate Services and Town Clerk. In addition to the Returning Officer, an alternate Returning Officer is appointed to perform the duties of the Returning Officer if the individual cannot perform the required duties. The Alternate Returning Officer for the election is Lisa Niblock, Chief Administrative Officer.

Polls

The Town of Paradise does not have a ward system (i.e., a geographic area that an elected councillor would represent) but rather council members are elected at large. Paradise is divided into polls.

Poll Officials

The Returning Officer (RO) appoints a Deputy Returning Officer (DRO) and a Poll Clerk for each poll.

The DRO is responsible for the overall administration of the polling division on voting day. The poll clerk is responsible for keeping the written records of the voting.

Becoming a Candidate for Council

Qualifications of Candidates

To run for council, an individual must:

- be eligible to vote in the municipal election.
- not be in arrears of taxes or other charges payable to the Town of Paradise.
- be ordinarily resident for a period of 30 days before the commencement of nomination day.

An individual is not qualified to be nominated as a candidate for council if:

- they are the Clerk, Manager, or a paid Department Head of that council.

- they are a judge of the Supreme Court or the Provincial Court of the province.
- they were individually dismissed or were a member of council that was dismissed by the Minister, in accordance with the Municipalities Conduct Act, 2022
- their seat was vacated in accordance with applicable legislation.

Other employees of council, including Volunteer Department Head or s (excluding the Clerk, Manager, or a Paid Department Head) can be nominated as a candidate for council once a leave of absence is granted. If that employee is subsequently elected, he or she must resign his or her position with the council prior to taking the Oath of Office.

Requirements to Pay Taxes and Liens

To qualify for nomination to council, all municipal charges, taxes and liens that are due must be fully paid prior to nomination day. Please note that taxes and liens being paid through payment plans, including preauthorized debit, do not qualify as payment in full.

The List of Electors

Electors (Voters)

A Canadian citizen who is 18 years of age or older is qualified to vote at an election where he or she has been ordinarily resident for the 30 days immediately before election day.

Copy of List of Electors

Once nomination papers are filed, the Returning Officer will provide candidates with an electronic copy of the list of electors. To ensure the privacy of the voters list the electronic copy of the list is password protected. Candidates may contact the Returning Officer for the Town of Paradise, Terrilynn Smith, CA, to obtain an access password. The Returning Officer can be reached at 709.782.1400 or by emailing elections@paradise.ca.

Responsibilities with the List of Electors

The list of electors can be used for electoral purposes only. This means that it can be only used for campaigning for election, used by persons working on a candidate's campaign, and by candidate's agents in the polling stations.

While the list of electors is in the possession of a candidate, it cannot be open for inspection (except for an electoral purpose), disposed of or sold.

Omissions on the List of Electors

Residents may not be registered or included on the Voters List if they have: recently moved to Paradise; or recently turned 18 years of age. If a resident has moved within Paradise or changed their name since the last election, they may be on the Voters List under their previous address or previous name.

To ensure correct information and registration status, residents may use the Online Voter Management System available on the Town's [website](#), email the required documentation to elections@paradise.ca, or visit the Town Hall. The new information provided will be used to update the Voters List.

A person whose name has been omitted from the list of voters and is qualified to vote, may vote on election day upon taking an oath or affirmation in the required form.

Election Campaigns

Individuals can begin campaigning at any time. Candidates can campaign on election day, however, a candidate or his or her agents cannot campaign or distribute campaign materials (physically or electronically, i.e. social media) at the polling station or within 30 metres of the entrance to the polling station and must remain respectful to all voters, the electoral process, the Returning Officer and all other election officials. This includes not distributing election results until the results are officially declared by the Returning Officer.

Election signs shall be subject to the following conditions.

- The erection of election signs shall be permitted on private property provided the property owner has given consent for the erection of such a sign and that the sign does not cause an obstruction to neighboring properties.

- Candidates shall remove their election signs within 36 hours after the close of polls on Election Day and shall ensure that the site is cleaned up.
- If the Candidate fails to remove his or her election signs within 36 hours after the polls close on Election Day, the Council may remove them and dispose of them, and the candidate shall be responsible for the cost of the removal and disposal of such signs.

NF Power advises that election signs or other obstructions or hazards are not allowed on or in close proximity to poles upon which workers are required to work.

NLESD advises that election signage cannot be placed on any school grounds and that any signs placed on school properties in contravention of this request will be immediately removed and disposed of.
