

Easter Activity Sheet

Bunny Stick Ornament

Credit to Cathy Parsons "Creative Activities in Recreation"

Recommended materials:

- Jumbo craft stick
- Piece of white foam
- Piece of pink foam
- Chenille stem
- 8"X1/4" piece of ribbon
- White paint
- Glue
- Paintbrush
- Black ink pen
- Hole punch

Instructions:

- Paint jumbo stick with white paint.
- While waiting for that to dry, using the foam, cut out a pattern for the head and feet.
- Use a black ink pen to draw stitch marks around the head and feet (View image).
- Cut out ears from the pink foam.
- Use a hole punch to cut toe pieces from the pink foam. Glue 3 circles to each toe on the foot.
- Use the black pen to draw facial features.
- Glue the head to one end of the stick and feet to the other end.
- Wind the chenille stem around a pen, then slide it off. Flatten the center of the stem in the middle and glue it to the back of the stick, just below the head.
- Tie a ribbon in a bow and glue it to the stick or neck of the bunny, just below the head.
