Recreation and
Leisure Services

WELCOME

With a population of over 21,000, we are one of Canada's fastest-growing municipalities, and home to the youngest average aged population in the Province. Paradise is an energetic Town experiencing substantial and sustainable growth. One reason for its rising popularity is the Town's close proximity to all major centers on the Avalon Peninsula. Situated between Mount Pearl, Conception Bay South and St. John's, Paradise is within 15 minutes of a population of over 180,000.

The Paradise Double Ice Complex is the largest investment ever made by the Town of Paradise. The Double Ice Complex provides an extensive variety of year-round activities including skating and hockey programs, tradeshow, entertainment and more.

Just minutes from the Outer Ring Road and Trans-Canada Highway, the Paradise Double Ice Complex provides many long-term benefits to the people of Paradise and surrounding areas.

Learn about our many corporate advertising opportunities and be a part of the excitement!

PARADISE DOUBLE ICE COMPLEX

Paradise Double Ice Complex Receives Silver LEED® Certification

The Paradise Double Ice Complex has received LEED® Silver certification from the Canada Green Building Council. The facility is only the second building in Newfoundland and Labrador to receive the international credential and the first in the Province to receive it under the LEED Canada 2009 Silver project guidelines.

From conceptual stage through to operation of the Paradise Double Ice Complex, environmental impact was paramount, and it was designed and constructed to achieve LEED certification. The facility has a number of environmental management features including indoor water use reduction, refrigerant management, use of recycled materials, electric ice maintenance equipment, and others. In addition, there are designated parking spaces for those who choose to carpool to our facility along with charging stations for electric vehicles. These efforts have resulted in 58% total energy cost savings, 57% energy savings, and over 36% reduction in indoor water use. The facility also has over 20% recycled content.

Paradise Double Ice Complex – Amenities:

- Two NHL size ice surfaces:
 - Rink B includes seating for 1100 people, six dressing rooms, retractable boards, and seating area to host major concerts and tradeshow
 - Rink A includes seating for 300 people, four dressing rooms

Rotary Paradise Youth and Community Centre

The Paradise Double Ice Complex is attached to the Rotary Paradise Youth & Community Centre, which houses the Town's Recreation Department, Sk8ate Park, rock climbing wall, youth centre, and more!

Paradise Park

In 2016, the Town of Paradise officially opened Paradise Park! Paradise Park is designed to enhance the recreational offerings within the Town for the enjoyment of all residents and visitors of Paradise. The Park features amenities such as the Town's first accessible playground, a splash pad, two beach volleyball courts, two dog parks, a sliding hill, a concession stand, and change rooms.

EXPOSURE

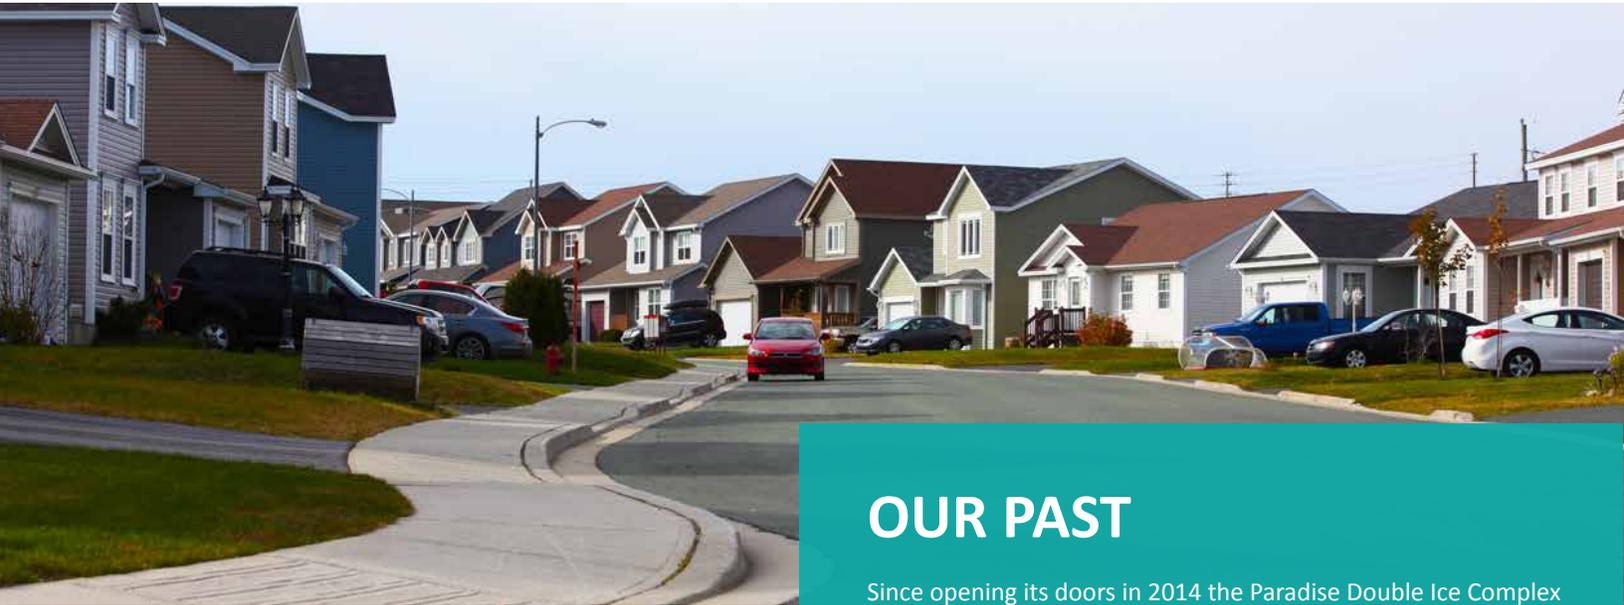

The Town of Paradise is experiencing unprecedented levels of growth and development. The Town is leading all municipalities in the region in housing rates and infrastructure development. While the Town is extremely proud of the interest from builders and developers, it is even more pleased that more families are choosing to make Paradise their home than any other location in the province. Paradise has become Atlantic Canada's fastest growing municipality with the youngest average age of population.

The Town acknowledges the fact that there is much more to growing a municipality than building houses, business parks, and expanding infrastructure. Communities are about people. Paradise's greatest priority is to build a community of people who feel a sense of pride and identity, and who share a common

commitment to making Paradise a place where all families feel welcome to help build an active and engaged community, the Town encourages all residents to become involved.

The Town's new business park is also attracting a variety of retail, commercial and industrial enterprise. The Town's goal is to provide the highest possible level of municipal services, programs and facilities to meet the needs of residents of all ages, and to try to build a proud and inclusive community.

Being a modern facility in a rapidly growing area, the Paradise Double Ice Complex provides an excellent venue to advertise your company. Also, with a combined population of over 180,000 people and growing, the surrounding cities and towns will also benefit from the new arena.

MARKET AND REACH

The Paradise Double Ice Complex is strategically located in the Town of Paradise, within close proximity to all major centers on the Avalon Peninsula. Paradise is located adjacent to both the Trans-Canada Highway and Outer Ring Road, with St. John's International Airport just a short drive away. The Complex is easily accessible from both the west and east ends of the North East Avalon.

The Double Ice Complex is also a part of the Town's open space development, which is now home to Paradise Park. Paradise Park is an area encompassing approximately 200 acres, located behind the Rotary Paradise Youth & Community Centre. Paradise Park was designed to be an all-inclusive recreation space that can be used for multiple purposes.

OUR PAST

Since opening its doors in 2014 the Paradise Double Ice Complex has been host to a wide variety of events. These events have attracted thousands of people from different organizations, business and backgrounds. The following are just a sample:

- Pinty's Grand Slam of Curling, Tour Challenge 2015
- Novaks Winter 2016
- Numerous Hockey Camps Spring/Summer
- Skate Canada National Summer Series (5-year agreement)
- Danny Cleary Hockey School (5-year agreement)
- YCNL Fall 2016
- Centre of Nursing Studies Graduation 2016
- 2017 Newfoundland Sportsman Outdoor Expo
- Boston Bruins NHL Alumni Game
- Habs NHL Alumni Game

With such a broad stakeholder base, there are always more events just around the corner.
